- The information on this form will be checked against the information submitted on the team registration forms #101 (Blue sheets). It is to ensure that SAY East schedules the correct amount of teams for games.
- SAY East volunteers enjoy scheduling league games, but re-working schedules creates problems for everyone. Please let the scheduler know of teams that may be dropped or split into two teams. SAY East volunteers may be able to hold off on scheduling those teams to give District Representatives more time to get organized.

District function: Event: _____ Dates: _____

Spring Break: _____ to _____, 20___

- Teams may request SAY East game schedulers to block out one date per season for school functions only. Please mark your date and reason. Schedulers will attempt to honor your date, but it is not guaranteed. . (Notes: First Communion dates will only be blocked out for Wings teams. Scouting activities are not considered school events)
- We also ask teams to mark their spring break to assist in scheduling. However, teams should be prepared to play games over spring break.

Thanks for your cooperation,

Cincinnati East SAY
